

Soccer Equipment Needed

2010

Who is receiving this equipment

We are currently looking for any New or Old soccer equipment to send down to “York Road Primary School” in Cape Town South Africa.

While education is free, the responsibility to pay school fees weighs heavily on parents.

8% of York Rd. Primary learners are exempted from paying fees for various reasons (Socio-economic conditions and abject poverty), while the remaining 92% are made up of learners who come from home who can't afford to pay the fees and those who struggle to make nominal payments.
